A MESSAGE FROM SOCCER AUSTRALIA CHAIRMAN, DAVID HILL

At this time last year I wrote with some enthusiasm that, based on the first season of the Ericsson Cup in 1995/96, Soccer Australia was looking forward to a terrific 1996/97 campaign.

However, even I was quite overwhelmed by the remarkable success at every level of the Ericsson Cup competition last season, which culminated in an Australian club soccer record crowd of over 40,000 at the Grand Final in Brisbane.

If the appointment of Terry Venables as Socceroo coach was the crowning glory for Soccer Australia at international level in the last twelve months, the booming success of our domestic league has only served to underscore soccer's claims as a major force in Australian sport.

Over one million spectators went through the turnstiles for the first time ever in twenty-one seasons of the national league. Wider and more substantial media coverage and some magical moments conjured by the players conspired to earn new respect for the Ericsson Cup in 1996/97.

From newcomer Perth Glory, who captured the imagination of the WA public almost immediately, to Brisbane's memorable Grand Final win in May, few could deny that the league's 21st anniversary season was celebrated in grand style.

This season promises more of the same, with the inclusion of Carlton expected to enhance the overall quality of a competition which is headed confidently towards the year 2000.

The 1998 World Cup beckons, the Olympic Games are less than three years away and the Ericsson Cup is setting new standards. What a marvellous time to be involved in Australian Soccer.

To all the fans, players and clubs involved in 1997/98, all the best for the season ahead.

A MESSAGE FROM ERICSSON AUSTRALIA'S MANAGING DIRECTOR, KJELL SORME

Once again Ericsson Australia is pleased to sponsor the Ericsson Cup and looks forward to the 1997/98 season with great anticipation.

With the outstanding success of the 1996/97 Ericsson Cup season we look to 1997/98 as yet another milestone in the development of soccer in Australia and will work with both Soccer Australia and the Ericsson Cup clubs to achieve this result.

The last two Ericsson Cup seasons have both been described as the most successful in the history of Australia's National Soccer Competition. Ericsson Australia shares the vision of Soccer Australia to crown the 1997/98 Ericsson Cup season with the same title. We hope that all participants involved with soccer accept and share our motivation to continue the development of the sport in this country.

The 1997/98 Ericsson Cup season will see further development of the national competition on many fronts including a new team to the league, more aggressive marketing and general awareness of the national competition. The World Cup campaign occurring throughout the 1997/98 Ericsson Cup season will greatly raise public perception about the quality of soccer being played locally with a strong contingent of Ericsson Cup players representing Australia as a part of the Socceroos squad.

Sponsorship of the Ericsson Cup provides us with the ideal opportunity to reinforce our achievements and commitments to the growth of the Australian telecommunications industry. Australia is a significant world player in sport, business, scientific research and technology development – often setting new standards of achievement.

With the support of the media and Australia's soccer fans, we and Soccer Australia are confident that soccer can move further toward achieving outstanding success as a mainstream sport in this country.

Kjell Sorme
Managing Director, Ericsson Australia.

Remember when that
guy was lining up a **PENALTY KICK**,
and **you** were thinking, **MISS,**
MISS,

MISS?

And then he kicked and
he Missed.

So you start thinking "maybe that
happened
because of ME.

Maybe if I think hard enough, **CHEER,**
no SCREAM

HARD enough, this game will be **OURS.**"

Well, **we** didn't want to be the ones
to break this to you, but **see**
that guy sitting
opposite you? Yeah,
the one holding the 'Coke', cheering
for the other side. **Guess what?**
He's thinking

the SAME THING
you are.
